

## **EXIGIS WELCOMES LAMA SHIYAB AND RITU SAINANI TO THE EXIGIS TEAM**

*EXIGIS, LLC. announced today that Lama Shiyab and Ritu Sainani will be joining the EXIGIS team.*

**NEW YORK, NY – AUGUST 16, 2010** – EXIGIS, the leading provider of risk management, insurance, treasury and business process automation software, announced today that Lama Shiyab and Ritu Sainani will be joining the EXIGIS team. Ms. Shiyab joins EXIGIS as a Business Analyst in the EXIGIS New York City Headquarters office. Mrs. Sainani joins EXIGIS as a Business Analyst in the newly opened EXIGIS San Francisco office.

The hiring of Lama and Ritu comes at a time when EXIGIS is experiencing significant growth, as EXIGIS expands to meet the continued demands of its clients while sourcing new business.

Lama joins EXIGIS after graduating from New York University with a Masters in Information Systems. During her graduate studies, Lama worked as a Strategic Operations intern at the New York City Economic Development Corporation, streamlining business processes and analyzing one of their computer systems. Prior to starting her studies, she was working in Jordan as a Software Developer. She has over 2 years of experience as a Software Engineer implementing Health Insurance Systems.

Ritu Sainani joined EXIGIS after a 10 month sabbatical where she travelled with her husband around the world for 6 months. Prior to travelling, Ritu was working in Austin, TX at National Instruments as a Business Analyst. She has over 5 years of experience working in a variety of different software companies as Business Analyst and Project Manager, managing software implementations.

“We are very excited to have both Lama and Ritu join the Business Services team led by Larry Hernandez. We believe both Lama and Ritu will be a great addition to the team and will help service our existing clients while also focusing on our new and rapidly expanding business,” said Frank McMackin, Director of Business Development, EXIGIS, LLC.
