EXIGIS to Exhibit at PARMA 2014 Annual Conference

EXIGIS announced today that it will be exhibiting at the Public Agency Risk Managers Association 2014 Annual Conference in San Jose, CA.

New York, NY, January 28, 2014 - EXIGIS, LLC. (exigis.com), the leading provider of risk management and insurance software and services for the public sector, announced today that it will exhibit for the fourth consecutive year at the Public Agency Risk Managers Association (PARMA) Annual Conference in San Jose, CA from February 9, 2014 through February 12, 2014 at the San Jose Convention Center.

Visit **Booth #323** to learn more about EXIGIS and discover RiskWorksPS®; the only multi-application risk management operating system specifically developed to provide Risk Pools, School Districts, and independent Self-Insureds a central 'command-and-control' to easily identify, process, monitor, and manage discreet risk and insurance information across the operation.

- Exposure Data Management
- Insurance Compliance
- Certificates of Insurance
- Risk Control

To learn more about EXIGIS or to schedule a RiskWorksPS demonstration during the 2014 Annual PARMA Conference, please contact Michelle Kagel at +1.800.928.1963 [Ext. 2237] or michelle.kagel@exigis.com.
